

Regional Training Program on
Sustainable Transport and Logistics Planning and Management Phase 2
April 30 – May 11, 2018

COURSE ANNOUNCEMENT

Ministry of Commerce in collaboration with Mekong Institute (MI) is organizing a two - week regional training program on “Sustainable Transport and Logistics Planning and Management Phase 2” on April 30 – May 11, 2018 at Mekong Institute, Khon Kaen, Thailand. The program is part of the activity on Workshop and Training for Public and Private Sector Personnel in CLMVT together with Trade Partners Countries in Global Market under the Program on Strategic Partnership for Global Market Development and Regional Economic Improvement in CLMVT in 2018.

The program aims to support national development policy for transport and logistics sectors through sharing transport sector development experiences of Thailand and increased knowledge and skills on logistics operations & services, planning and management and provide networking opportunities for business development and cooperation among the program participants.

The program is structured into three parts comprising of training, structured learning visits and business networking. The program is designed for the senior and mid-level officials, academia and logistics and transport operators from Cambodia, Lao PDR, Myanmar, Vietnam and Thailand (CLMVT) with the generous funding from the Ministry of Commerce, Royal Thai Government. Full scholarships will be provided to twelve (12) participants each from the CLMVT with quota of eight (8) from private sector and two (2) each from government and academic sector. The scholarship covers all training expenses, including flight tickets, accommodation, meals, course kits, training materials and other activities designed under the training program.

Full information about the program, application form and selection criteria are available at <https://bit.ly/2Ha4JwF> and <https://bit.ly/2ql0HHw>
